

Symposium Andrea Mombelli

Periodontology Today

20 Years of Progress in Research and Clinic

Saturday, August 31, 2019

Geneva, CMU Auditorium Alex-F. Müller A250

Andrea Mombelli will retire as Full Professor and Director of the Division of Periodontology at the University Clinic of Dental Medicine (CUMD), University of Geneva, after 20 years of loyal service and scientific achievements.

In his honor the FORMACO-CUMD organizes a one day Symposium. The invited speakers are world class and will offer a superb overview of current scientific evidence in periodontal research.

Programme

- 8:30 – 9:00** Registration, badges, certificates
- 9:00 – 9:10** Welcome address, **Prof. Frauke Müller** (President CUMD and Director, Division of Geriatric Dentistry and Removable Prosthodontics)
- 9:10 – 9:50** **Prof. Philip Marsh** (Former Chief Scientific Leader, TB Research, National Infection Service, Porton Down, currently School of Dentistry, University of Leeds, England)
“The oral microbiome - friend or foe?”
- 9:50 – 10:20** **Prof. Jacques Schrenzel** (Head, Genomic Research Laboratory, Geneva University Hospitals)
“Metagenomics of the oral and dental microbiota”
- 10:20 – 10:50** **PAUSE**
- 10:50 – 11:20** **Prof. Denis Kinane** (Former Dean UPenn Dental, Philadelphia, currently Visiting Professor CUMD)
“From evidence-based to precision periodontal therapy”
- 11:20 – 12:00** **Prof. Anton Sculean** (Head, Department of Periodontology, University of Bern)
“Key factors for success in periodontal regeneration”
- 12:00 – 12:40** **Prof. Dieter Bosshardt** (Head, Robert K. Schenk Laboratory of Oral Histology, University of Bern)
“Biological principles of successful periodontal therapy”
- 12:40 – 14:00** **STANDING LUNCH**
- 14:00 – 14:30** **PD Dr. Catherine Giannopoulou** (Senior lecturer, Division of Periodontology, CUMD)
“Systemic and periodontal diseases, the Geneva studies”
- 14:30 – 15:00** **Prof. Stavros Kiliaridis** (Director, Division of Orthodontics, CUMD)
“The dynamic role of the periodontium in tooth eruption and orthodontic tooth movement”
- 15:00 – 15:30** **PD Dr. Norbert Cionca** (Private docent, Division of Periodontology, CUMD)
“Prevention and therapy of peri-implant diseases”
- 15:30 – 16:15** **Prof. Andrea Mombelli** (Director, Division of Periodontology, CUMD),
“20 years of progress in the therapy of periodontal and peri-implant diseases”
- 16:15 – 16:30** Closing remarks, **Prof. Frauke Müller** (President CUMD)
- 16:30 – 17:30** **APERO**

Inscriptions

<https://www.unige.ch/medecine/dentaire/mombelli>

Les participants sont priés de s'inscrire via l'URL jusqu'au 15 août (date de clôture) en cochant les options souhaitées : Les inscriptions se font exclusivement on-line avec paiement par carte bancaire pour les options B et C.

A. Je participe au symposium (entrée libre pour affiliation CUMD, CMU et HUG)

Informations: Mme Patricia Maurer, tél: +41 22 379 40 99, patricia.maurer@unige.ch
Prof Susanne Scherrer, tél: +41 22 379 40 69, susanne.scherrer@unige.ch

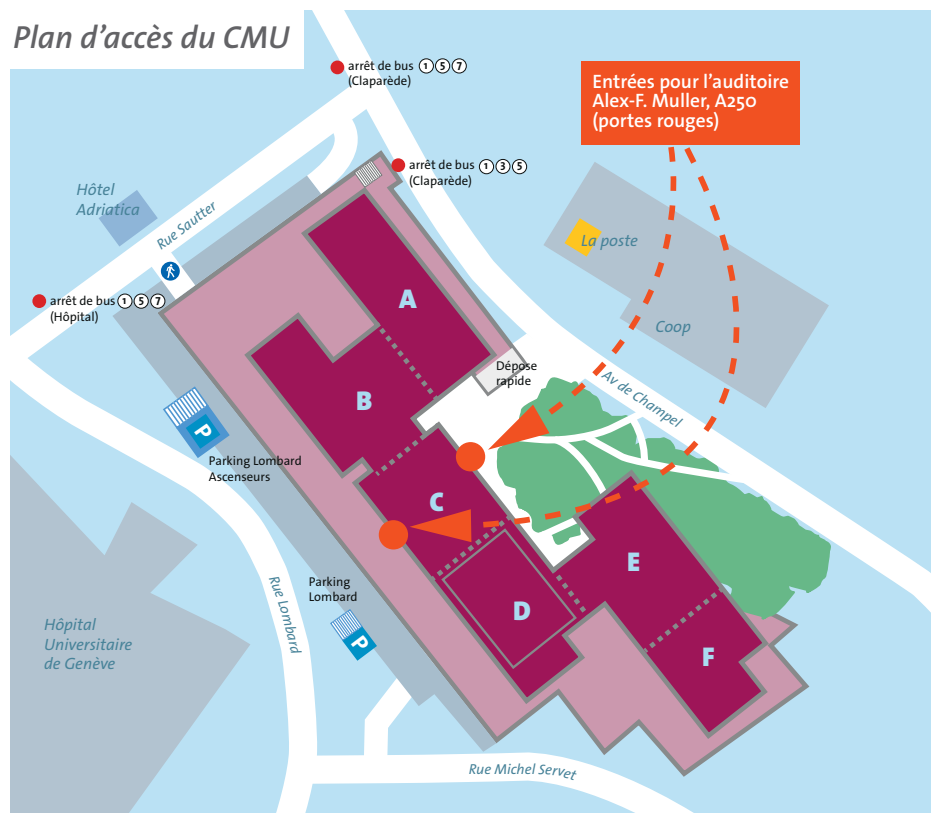

B. Je participe au symposium avec obtention de 6 heures de crédit de formation continue (FORMACO) au tarif forfaitaire de 250 CHF.

Informations: Mme Patricia Maurer, tél: +41 22 379 40 99, patricia.maurer@unige.ch
Prof Susanne Scherrer, tél: +41 22 379 40 69, susanne.scherrer@unige.ch

C. Je participe au repas du soir au Domaine du Château du Crest au tarif forfaitaire de 150 CHF

Informations: Mme Laure Ulrich-Michel, tél: +41 22 379 40 30, laure.ulrich-michel@unige.ch

Plan d'accès du CMU

Dîner au Château du Crest

Salle du Pressoir, Jussy

31 août 2019, 19h30

40, route du Château-du-Crest | 1254 Jussy-Genève

Inscriptions pour le dîner requises via l'URL jusqu'au 15 août
(date de clôture)
